Description: Are you ready to get rich? So you want to manifest more money this year. Youre not alone. But why does it feel so freaking hard? Its weird and frankly bewildering that the most talented women in the world are often the ones struggling to make fabulous money from their talents. Too many female entrepreneurs sabotage their income and work too hard for...

Review: I originally started reading the previous version on e-book and as with most e-books, I tend to forget about them before I finish and or end up ordering the actual book version. I was excited when the new edition came out and preordered it. I'm about halfway through and I have so many notes and underlines already. Part of me feels like I don't have...
